Species	USD
Walnut	1,800
Oak	1,600
Maple	1,600

The Vander Chair is a minimal chair with a strong and contemporary stance. Sharp, clean lines and hard angles accentuate its presence and provide movement and grace to a normally static fixture. The upholstered back and seat are angled for a comfortable and modern sit perfect for any seating context. A simple and classic chair befitting of a proper dining set or an occasional chair. The Vander Chair is also conveniently stackable for commercial applications. Pictured in oxidized oak, charcoal linen, and a hand-rubbed oil & wax finish.
